

## **GUIDELINES FOR GUESTS AT YACHT CLUBS**

**Jackson Park Yacht Club** will be hosting a party after the Gene Zimmer Race. The party will consist of a diner and feature a live band and dancing. A flyer will be mailed several weeks before the party, and advance dinner reservations for yourself and your crew are encouraged.

**Michigan City Yacht Club** is looking forward to a good MORF turnout. The Yacht Club does not have shower facilities suitable for fleets as large as MORF. We are the guests of the Michigan City Port Authority, which is responsible for all docking space, including in front of the Yacht Club. Raft up dock fees are paid by MORF. The Port Authority has washrooms and showers. We recommend that MORF members obtain access to these showers by paying a deposit for the key to the Port Authority. The cost is reasonable. For a nominal charge, slips may be rented, subject to availability. Rental includes a key to Port Authority washrooms and showers.
